Glass America Enters Third Annual Auto Glass Technician Olympics

Chicago, IL – Chris Hanson, a branch manager for Glass America’s Lewis Center in Ohio and Henry Ward, a senior technician from the Virginia Beach location will be representing Glass America at the third annual Auto Glass Technician Olympics. The event will be held during the Auto Glass Expo at NACE 2007, in conjunction with the AGRSS convention, in the Mandalay Bay Convention Center in Las Vegas November 1-4, 2007.

“We believe that both Chris and Henry will be great entrants to this event,” said Glass America President David Rohlfing. “Their participation will demonstrate to the AGRR industry the high level of installation expertise and professionalism that all of our Auto Glass Technicians provide to our customers each and every day.”

The ultimate goal of the Auto Glass Technician Olympics is to increase the overall safety of auto glass installations throughout the United States by showcasing the skill and professionalism of the best auto glass technicians in the business. As the only competition in the United States for auto glass technicians, the annual event stands as the premier competition in the auto glass industry.

About Glass America

Founded in 1999 and headquartered in Chicago, Illinois, Glass America is one of the largest independently-owned automobile glass replacement and repair companies in the country. Glass America has 94 service centers conducting business under the names Glass America and Auto Glass Service which are conveniently located in the states of Alabama, Colorado, Connecticut, Florida, Georgia, Illinois, Indiana, Kentucky, Maryland, Massachusetts, Michigan, Missouri, New Hampshire, New York, Ohio, Pennsylvania, Tennessee, Texas, Vermont, Virginia, West Virginia, and Wisconsin. Glass America offers a

complete line of auto glass repair and replacement services for all years, makes and models, foreign and domestic, commercial or passenger vehicles. In contrast to many of the glass companies in the country, Glass America only uses OEM (original equipment manufactured) windshields, meaning that it is the proper windshield with the perfect fit, as specified by the original manufacturer for each vehicle.

As a leader in the Auto-Glass Replacement industry, Glass America upholds the highest levels of quality craftsmanship, and consistently maintains a proven track record for excellent customer service. All technicians are certified by Sika Adhesive Systems and LYNX Services. All auto glass installations and workmanship will meet or exceed the AGRSS Standards, and have a national lifetime warranty. Glass America's direct billing procedures and pricing structures meet or exceed the requirements of all insurance companies and glass networks. All of the company's national service areas offer both drive-in and mobile services, and always strive to make business as quick and as convenient as possible for their patrons.
