Glass America's Beloit, Wisconsin Shop Moves to New Location

Chicago, IL – Glass America's Beloit, Wisconsin shop has moved to a new location at 2710 Prairie Ave. The store was opened in April of 2006, and was previously located on 757 East Philhower Road. The automobile glass replacement and repair company decided to

move to a new location with a more spacious customer service area and a larger shop. The new Glass America shop is now also in a more convenient location across the street from the Beloit Hospital, at the corner of Prairie Avenue and Hart Road, offering more drive-by traffic.

The Beloit Glass America shop has served over 10,000 local customers with windshield replacement and repairs. Staff members include: Ron Wileman, Account Manager, Todd Rennie, Store Manager, Linda Beeler and Lorri Aney, Customer Service Representatives, and Paul Pettitt, Al Punzel and Keith Ingham, Auto Glass Technicians.

The Beloit shop has enjoyed much success over the years," said David Rohlfing, president of Glass America. "We are proud that as a member of the Glass America family, this growing shop has found a suitable location that will help to ensure their future expansion in the local market."

About Glass America

Founded in 1999 and headquartered in Chicago, Illinois, Glass America is one of the largest independently-owned automobile glass replacement and repair companies in the country. Glass America has 94 service centers conducting business under the names Glass America and Auto Glass Service which are

conveniently located in the states of Alabama, Colorado, Connecticut, Florida, Georgia, Illinois, Indiana, Kentucky, Maryland, Massachusetts, Michigan, Missouri, New Hampshire, New York, Ohio, Pennsylvania, Tennessee, Texas, Vermont, Virginia, West Virginia, and Wisconsin. Glass America offers a complete line of auto glass repair and replacement services for all years, makes and models, foreign and domestic, commercial or passenger vehicles. In contrast to many auto glass companies in the country, Glass America buys glass only from OEM (original equipment manufacturer) suppliers. This means the proper windshield with the perfect fit.

As a leader in the auto-glass replacement industry, Glass America upholds the highest levels of quality craftsmanship, and consistently maintains a proven track record for excellent customer service. The company is a member of the Independent Glass Association and the National Glass Association, and all technicians are certified by Sika Adhesive Systems and LYNX Services. All auto glass installations and workmanship will meet or exceed the AGRSS Standards, and have a national lifetime warranty. Glass America's direct billing procedures and pricing structures meet or exceed the requirements of all insurance companies and glass networks. All of the company's national service areas offer both drive-in and mobile services, and always strive to make business as quick and as convenient as possible for their patrons.
