Glass America Opens New Location in Jamestown, NY

CHICAGO – Glass America, a national windshield repair and replacement company, has opened a new shop at 512 W. Eighth St. in Jamestown, NY. The grand opening marks the 94th Glass America auto glass shop to open throughout the country.

Bob Leonard, manager and installer for Glass America, has worked in the auto glass repair industry for 21 years. Leonard began working in Pittsburgh as an auto glass installer, and then went on to manage auto glass repair shops in Rochester and Youngstown, Ohio. For the past 10 years, Leonard has been installing glass in the Jamestown area.

"Glass America has been open since 1999. We've been looking to expand in this area and grow to be big enough to cover the whole county," Brenda Nickerson, sales representative, said.

The Post-Journal reported that Steve Centi, city development director, said, "I think it's great that they've elected to locate here in the city of Jamestown. It's a business that fits into the area. It was a vacant building, and now it's a viable business. I think it's great. We're happy to be here to help get this going off the ground."

Glass America can be reached at 716-720-4336 Monday through Friday, 8 a.m. to 5 p.m. and offers emergency service on Saturday if needed.

About Glass America

Founded in 1999 and headquartered in Chicago, Illinois, Glass America is one of the largest independently-owned automobile glass replacement and repair companies in the country. Glass America has 90 service centers conducting business under the names Glass America and Auto Glass Service which are conveniently located in the states of Alabama, Colorado, Connecticut, Florida, Georgia, Illinois, Indiana, Kentucky, Maryland, Massachusetts, Michigan, Missouri, New Hampshire, New York, Ohio, Pennsylvania, Tennessee, Texas, Vermont, Virginia, West Virginia, and Wisconsin. Glass America offers a complete line of auto glass repair and replacement services for all years, makes and models, foreign and domestic, commercial or passenger vehicles. In contrast to many auto glass companies in the country, Glass America buys glass only from OEM (original equipment manufactured) suppliers. This means the proper windshield with the perfect fit.

As a leader in the auto-glass replacement industry, Glass America upholds the highest levels of quality craftsmanship, and consistently maintains a proven track record for excellent customer service. The company is a member of the Independent Glass Association and the National Glass Association, and all technicians are certified by Sika Adhesive Systems and LYNX Services. All auto glass installations and workmanship will meet or exceed the AGRSS Standards, and have a national lifetime warranty. Glass America's direct billing procedures and pricing structures meet or exceed the requirements of all insurance companies and glass networks. All of the company's national service areas offer both drive-in and mobile services, and always strive to make business as quick and as convenient as possible for their patrons.
